Safe Transportation of Food Responsibility

Food must be brought to the facility in clean, insulated, sanitizable containers, which keeps cold food at 41 degrees F or below and hot food at 135 degrees F or above. Containers must be clearly labeled with the child's name and date of preparation.

Upon receiving the food from the parent, the facility shall verify the temperature of the food. When potentially hazardous food temperature is not correct, the facility will not accept the food.

Upon accepting the food, the facility shall maintain correct food temperatures until served.
